Bardic Corner

Come Away and Play with Me!

By Colleen Marie

Come away
And play with me!
Princesses shall we be,
And snare the unicorn with beauty.
Then to the mists of Avalon
(The empty yard when Nurse has gone)
To keep watch at Arthur's right
Keep steadfast vigil 'gainst cruel night,
Then let our aprons angelic robes become,
When tired of heaven, we'll nap some,
Then up to sup with the wizened Mage,
At tea we'll halt but mark the page!
Before lessons we may to our spell book return,
And hide in our pockets some magic learned,
Lest letters and figures, mere mortal toil,
Our fame as fabled Helen spoil.
Come away, ladies, dragonslayers, all!
As sparrows play, so shall we play
Until tomorrow becomes today

Medieval Happenings in the Mundane World

Upcoming Events
