Officer Reports

Castellan – Talked to people at Return of the Lions. There were two young girls and their mother who bought quilling supplies after taking quilling class. Also spoke with a gentleman named Michael.

A&S – Not much happening except at Return of the Lions where numerous classes took place.

Chronicler – Newsletter coming in a couple of days. Discussed with Uji about wiki page instructions.

Webminister – Swapped info with Iola regarding herald account. Iola currently doesn't have her own computer, but can borrow one.

Seneschal – Used Lions End roster to create basic wiki pages for all who didn't have them. People just need to claim their pages. Also, updated some existing pages. Need to do persona name/device submission. Will work with Iola to get that submitted.

Exchequer – (absent) Deputy exchequer reports that Return of the Lions made a small profit.

Had last year at Brekke's. Would like to do it again. June is too busy.
